Harpsfield Hall Hatfield The original Harpsfield Hall stood nearby and was approached by a long driveway, across open fields. It seems to have been built in the early 19th century, when it replaced a larger, older house of the same name, described as 'a commodious residence with pleasure grounds'. The later hall was demolished in the 1930s to make way for the main runway of the new Hatfield Aerodrome. This pub stands at the corner of the old aerodrome site.
