The William Dampier

Yeovil

This former supermarket-turned-furniture-shop was built during the area's redevelopment in the 1960s. Until then, the Railway Inn had been on the site, since 1913. It replaced an earlier inn of the same name which stood where there are now traffic lights outside this pub. The present pub is named after the buccaneer, explorer and naturalist, who was born at nearby East Coker, in 1651. Dampier was the first person to circumnavigate the world three times.

Food hygiene rating

We have been awarded the maximum food hygiene rating of 5 in our pub.

Sustainable fish

The cod and haddock we serve come from fisheries which have been independently certified to the MSC's standards for well-managed and sustainable fisheries.

Free-range eggs

100% of the eggs we use are free range. All shell eggs are certified with the British Lion quality mark and are RSPCA assured, ensuring the highest standards of animal welfare.
